MILITARY FUNDS BASED
ON INSPECTION RECORDS
On the companies will demade next year on the average at-tendance at the two inspections and at the summer encampment.

tore the State inspection in the fall was the basis for the allotment.

The inspection will include both personnel and property held by the company and books, will be present to explain all discrepancies, inaccuracies and otherwise protect the interests of the company, the State and the United States at the inspection.

"All articles, of whatever military nature, including all surplus property, will be submitted for inspection, as it is of the utmost importance that an accurate count of all property actually on hand in every organization be obtained at this time, in order that existing irregulartiles may be straighted.

"Requisitions for supplies on a basis of deficiencies found by the inspecting officer will at once be prepared and forwarded to this office. All such requisitions will especially give the sizes of clothing required.

"If property records have been kept in accordance with requirements."

"The inspection will inspection, as it is of the utmost importance that an accurate count of all property actually officer will at once be prepared and forwarded to this office. All such requisitions will especially give the sizes of clothing required.

"Condition of armory."

Surprise Party.

J. Frank Dunn was given a surprise ened out, and the inspecting officer will require of responsible officers written DIRECTED TO MAKE REPORT require of responsible officers written explanation of all property shortages occurring since the 1914 Inspections.

"As the laws of this State and orders from this office require that all public military property be kept in armorles, and that same be not taken therefrom except for military purposes, no excuse will be accepted for the absence from armorles of any property at this inspection, and property so absent will be treated as shortage.

"Commanding" officers will at once

at this inspection, the sent will be treated as shortage.

"Commanding officers will at once ascertain that all public military property issued for use of their organizations is in the armories and prepared for inspection as ordered.

"Al discrepancies found to exist be"Al discrepancies found to exist be-

from is in the armories and prepared for inspection as ordered.

"Al discrepancies found to exist between the inventory reports submitted by Captain A. M. Shipp, the United States inspecting officer, at the 1914 aspection and the inspection made under the provisions of this order will be charged against the allegent from be charged against the allotment from the military fund to the organization

DEADQUARTERS AND BANDS TO BE INSPECTED

"Headquarters and bands of organi-

Headquarters and bands of organizations will be similarly inspected as above, and will be subject to the same requirements as prescribed for companies in so far as same apply.

"Field, staff and noncommissioned staff officers and officers on the supernamerary list will report for inspection at regimental or battalion head-uniters, or to such other constitutions. quarters, or to such other organization as may be designated by their respec-tive commanding officer; or nearest their present station; and in each case will bring or cause to be brought to the armory for inspection all public military property in their possession; only property thus submitted for per-sonal inspection of inspecting officer will be included in his inventory.

The inspecting officer is especially requested to report to this office upon the following:

"Supplies needed by each organiza-tion to properly equip it for field serv-

properly cared for.

"Facilities for taking care of public military property, whether rooms are properly ventilated and aired; whether

J. Frank Dunn was given a surprise party at his home on Allen Avenue on New Year's Eve, by several of his friends and fellow-members on the Barton Heights football and basketball

Between the rounds of refreshments sports were enthusiastically discussed and plans for the future of the teams were outlined. Among those attending the unction were: George Henlic, John H. Watson, Winston B. Watson, Deane Haul, Emmet Hazelgrove, Harry Tompkins, Edward Vaughn-Lloyd, J. T. Ames, M. W. Durham, Harry Halle, Morton Dunn, Frank Dunn and Thomas M. Deltrick.

#### SULPHUR FOR ECZEMA

APPLIED LIKE COLD CREAM IT STOPS ITCHING

bold sulphur the angry itching attending any eczema eruption ceases and its remarkable healing powers Sulphur, says a renowned dermatologist, just common bold-sulphur, made into a thick cream, will soothe and heal the skin when irritated and broken out with Eczema or any form of eruption. The moment it is applied all itching ceases, and after two or three applications the Eczema disapleaving the skin clear and
